Frequently Asked Questions

When is Dawg Days 2020?
August 9-12

What exactly is Dawg Days?

Dawg Days is a four-day, three-night overnight retreat for new students at SIU. Our entire program is centered on building strong, positive peer networks before students move onto campus. Students participate in large group activities, such as: water tug-of-war, everyone’s-it, adventure races, and evening socials.

They also engage in small group activities, such as; broomball, life-size battleship, and gaga ball. Each day, students also have the opportunity to partake in optional activities like zip-lining, canoeing, rock-climbing, and hiking.

The retreat is held at Southern Illinois University’s own Touch of Nature Environmental Center, located approximately ten minutes from the main campus. Touch of Nature as an SIU entity boasts 3,100 acres of rolling hills and lush forests that students have the opportunity to explore during their time at Dawg Days and as a Saluki.

Each session has about 100 incoming freshman, and 20 upperclassmen volunteers who serve as friends, mentors, and a support system for when students move onto campus.

Are there other programs that conflict with Dawg Days?

Please check directly with any other organizations to determine if there is a conflict with the scheduled date of camp.

How do I get there? Where do I park when I come to camp?

Students will meet up with staff members in the Parking Lot 56 South of the SIU Arena, where they can be dropped off or leave their vehicles. Students can also be picked up from the Amtrak Station, located in Carbondale, IL OR the Williamson County Regional Airport, located in Marion, IL. Students ride charter buses to camp from campus.

Individuals taking the train must arrive at the station by 1:45pm on the start day of the program. Individuals flying, should plan on arriving before 2:00pm. For returning home via train, please make accommodations for the train departing from Carbondale at 3:00pm. What do I need to bring to camp?

- Linens for an extended twin bed (sleeping bag, sheets and pillow).
- Towels for shower and pool.
- Shower shoes.
- Comfortable and modest clothes for recreation and activities such as shorts and T-shirts are appropriate for all activities and you may want more than one set per day.
- Toiletries.
- Closed toe shoes for recreation and optional activities

Will I have cell phone service at camp?

  Cell phone service is not very reliable at camp, and we offer no secure personal storage. We strongly urge you to not bring/use your phone during our programs; you will be too busy making new friends anyways!

  In case of an emergency where someone needs to get a hold of you while you are at camp, they can call the Touch of Nature office at 618-453-1121.

Do people really dress up for the social events?

  Yes, of course we do! You don’t need to have an expensive costume to participate either. The cheesier, the better!
