Frequently Asked Questions

When is Dawg Days 2021?
August 8-11

What exactly is Dawg Days?
Dawg Days is a four-day, three-night overnight retreat for new students at Southern Illinois University. Our entire program is centered on building strong, positive peer networks before students move onto campus. Students participate in large group activities, such as: water tug-of-war, everyone’s-it, adventure races, and evening socials.

They also engage in small group activities, such as: broomball, life-size battleship, and gaga ball. Each day, students also have the opportunity to partake in optional activities like zip-lining, canoeing, rock-climbing, and hiking.

The retreat is held at SIU’s Touch of Nature Environmental Center, located approximately ten minutes from the main campus. Touch of Nature boasts 3,100 acres of rolling hills and lush forests that students have the opportunity to explore during their time at Dawg Days and as a Saluki.

Each session has upperclassmen volunteers who serve as friends, mentors, and a support system for when students move onto campus. Limited space is available so first come, first served.

Are there other programs that conflict with Dawg Days?
Please check directly with any other organizations to determine if there is a conflict with the scheduled date of the retreat.

How do I get there? Where do I park when I come to camp?
Students will meet up with staff members in the Parking Lot 56 South of the Banterra Center (SIU Arena) where they can be dropped off or leave their vehicles. Students can also be picked up from the Amtrak Station in Carbondale OR the Veterans Airport of Southern Illinois) also known as Williamson County Regional Airport, located in Marion. Students ride charter buses to camp from campus.

If you are unsure of our ability to accommodate your travel logistics, please contact Camp Director Leanna Keeney at 618-453-1121 or at dawgdays@siu.edu before making accommodations.

Specific arrival information and directions will be included in your Welcome Packet.

Will I have cell phone service at camp?

Cell phone service is not very reliable at camp, and we offer no secure personal storage. We strongly urge you to not bring/use your phone during our programs; you will be too busy making new friends anyways!

Do people really dress up for the social events?

Yes, of course we do! You don’t need to have an expensive costume to participate either. The cheesier, the better!
